## Natural Light. Glare Elimination. UV Protection.

**WOMEN OWNED. VETERAN OWNED. MADE IN USA**

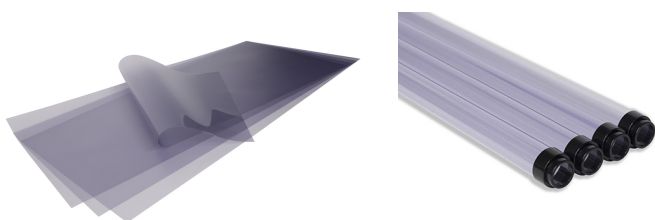

MAKE, LLC (dba Make Great Light) is a small business providing light filters for fluorescent and LED lights that eliminate glare and transform the light into full spectrum, natural light.

They make for a healthier work environment by reducing eyestrain, fatigue and headaches. They can also help with obtaining more natural light in our dark winter months as well as block UV for those who may be sensitive.
